

Duties of the Chaperone

1. Group information should be clearly visible in the front window of the vehicle transporting your group. This allows for closer parking when necessary.
2. Group information form must be presented to enter the circus.
3. Make contact with a Shriner ushering patrons to their seats. Be sure to inform them of anyone needing special seating.
4. Keep your group together in assigned area.
5. Maintain order in your group.
6. Provide necessities for children needing special care.
7. Provide suitable clothing and sun protection.
8. Assistance is required by the chaperones when:
 - Patrons are getting on and off transportation
 - Patrons are visiting the restroom (a chaperone must accompany children to the restroom area)

Thank You and Enjoy the Circus
